BILLS AND RESOLUTIONS.

By Senator Grinnan (by request):

Senate bill No. 295, a bill to be entitled "An Act to amend Chapter 2, of Title LX, of the Revised Statutes of Texas, as relating to irrigation, so as to insert Article 3125a, providing for the equality of price to all irrigators."

Read first time, and referred to Committee on Mining and Irrigation.

36—Senate

By Senator James (by request):

Senate bill No. 296, a bill to be entitled "An Act to regulate the business of building and loan companies, associations or corporations, to define the conditions under which they shall be permitted to do business within the State of Texas, and to provide pains and penalties for the breach of the provisions thereof."

Read first time, and referred to Judiciary Committee No. 1.

By Senator Yantis:

Whereas, There is now in the Texas State Library, a statuette, chiseled in marble, symbolizing Texas lamenting the fall of the Alamo, which was designed and executed by the late Miss Lee Malone, of Waco, Texas, who died while she was yet in her youth, and soon after the completion of the statuette; and

Whereas, Subsequent to the adjournment of the Twenty-fifth, but previous to the assembling of the Twenty-sixth Legislature of the State, the said statuette was presented, as a donation, to the State by Mrs. J. S. Malone, mother of the deceased young artist; and

Whereas, Before the assembling of the present Legislature, there has been no opportunity for expressing by formal legislative action the State's appreciation of the patriotic impulses which inspired the youthful artist for so beautiful and suggestive a commemoration in imperishable marble of an event, which, while it saddens with thoughts of the historic and most dreadful massacre, nevertheless emphasizes the pride with which Texans delight to recall the magnificent valor of their forefathers; and

Whereas, The donation to the State by Mrs. J. S. Malone exemplifies a patriotic spirit that deserves the warmest commendation and encouragement; therefore be it

Resolved, By the Senate, that the thanks of the State are due, and are hereby tendered to Mrs. J. S. Malone of Waco, Texas, for having caused to be placed in the State Library, as a gift to the people of the State, the marble statuette idealizing Texas grieving over the fall of the Alamo, which was the work of her talented young daughter, Miss Lee Malone.

The resolution was read, and adopted.
Call concluded.

Senator Ross moved to suspend the special order of business (Senate bill No. 231), and to take up Senate bill No. 264 (Lamar county road bill).

And to allow said debtor, payor or obligor on any such note or other lien so secured by real estate a valid and bona fide claim, credit and offset against such note or lien for the full sum that he may have paid such taxes as were due and payable by law upon said note or other lien," action being on the motion of Senator Davidson to reconsider the vote by which the following amendment by Senator Lewis was adopted, towit:
